*Statutory Rules 2019, No. 5*

**r. 7**

**Part 1 – Preliminary**

---

(b) fishing licence (mackerel B).

## **PART 2 – LICENCES**

### **8. Authority of mackerel fishing licence**

- (1) A mackerel fishing licence only authorises the holder, in State waters –
  - (a) to use the fishing vessel specified in the licence; and
  - (b) to take mackerel not exceeding the quantity specified in the licence for a species of mackerel, a mackerel zone or a species of mackerel in relation to a mackerel zone; and
  - (c) to take bycatch not exceeding the limits imposed by these rules.
- (2) Subject to Part 4, a mackerel fishing licence authorises the holder to use a purse seine net in State waters.

### **9. Unloading mackerel**

The holder of a mackerel fishing licence must only unload mackerel to the holder of a fish processing licence authorised to process mackerel.

Penalty: Grade 3 penalty.

*Statutory Rules 2019, No. 5*

**r. 10**

Part 2 – Licences

---

**10. Completion of mackerel records**

The holder of a mackerel fishing licence must complete records, required to be kept under section 145 of the Act, in respect of catching and unloading mackerel –

- (a) if the record relates only to the catching of mackerel –
  - (i) as soon as practicable after catching the mackerel; and
  - (ii) if the mackerel is caught during a fishing trip that last longer than 24 hours, before the end of each day of that fishing trip; and
- (b) if the record relates to the unloading of the mackerel –
  - (i) as soon as practicable after unloading the mackerel; and
  - (ii) before any of the mackerel so unloaded is moved more than 200 metres outside the site of unloading; and
  - (iii) before any of the mackerel so unloaded is moved inside a temporary structure, or a building; and
  - (iv) if the mackerel is unloaded during a fishing trip that last longer than 24 hours, before the

Part 3 – General Management of Fishery

---

**PART 3 – GENERAL MANAGEMENT OF FISHERY**

**12. Open season and closure of mackerel fishery**

- (1) Unless otherwise determined under subrule (2), the open season for the mackerel fishery for 2019 and each subsequent year is the period commencing on 1 May in the relevant year and ending on 30 April in the following year.
- (2) The Minister, by notice published in the *Gazette*, or on a website of the Department, or in a newspaper circulating in the State, may determine the dates of the closed season for all or part of the mackerel fishery in respect of one or more of the following:
  - (a) a type of mackerel fishing licence;
  - (b) an area of State waters;
  - (c) a species of mackerel;
  - (d) a specific activity.
- (3) The open season for the mackerel fishery that commenced on 1 July 2018 under the *Fisheries (Mackerel) Rules 2009* continues, but ends on 30 April 2019.
- (4) The holder of a mackerel fishing licence must not take mackerel –
  - (a) in contravention of a closed season determined by the Minister under subrule (2); or

*Fisheries (Mackerel) Rules 2019*  
*Statutory Rules 2019, No. 5*

Part 3 – General Management of Fishery

**r. 13**

- (b) while the fishery is closed under subrule (2).

Penalty: Grade 3 penalty.

**13. Total allowable catch**

The Minister is to determine and set the total allowable catch for the mackerel fishery, or part of the mackerel fishery, by reference to the whole weight of mackerel allowed to be caught by the holder of a mackerel fishing licence during the open season.

**14. Licence amount not to be exceeded**

- (1) The holder of a mackerel fishing licence must not, during a fishing trip, take more mackerel than the uncaught balance of the amount specified for the licence.

Penalty: In the case of –

- (a) the uncaught balance of the relevant amount specified being exceeded by not more than 20%, Grade 1 penalty; or
- (b) the uncaught balance of the relevant amount specified being exceeded by more than 20% but not more than 50%, Grade 2 penalty; or
- (c) the uncaught balance of the relevant amount specified

*Fisheries (Mackerel) Rules 2019*  
*Statutory Rules 2019, No. 5*

**r. 14**

Part 3 – General Management of Fishery

---

being exceeded by more than  
50%, Grade 3 penalty.

(2) If –

- (a) the Minister is satisfied that the holder of a mackerel fishing licence has committed an offence under subrule (1) but that the relevant amount specified in the licence has only been exceeded by not more than 50% of the uncaught balance; and
- (b) the licence holder pays or agrees to pay an administrative penalty to the Crown –

the Minister may accept such payment or agreement to pay and, if so, must waive or, if applicable, discontinue the proceedings for the offence.

(3) If the whole or any part of an amount that a person has agreed to pay under subrule (2) is not paid by such date or within such period as the person and the Minister have agreed for the purpose, the unpaid amount may be recovered in a court of competent jurisdiction as a debt due to the Crown.

(4) In this rule –

***administrative penalty*** means –

- (a) in the case of exceeding the uncaught balance of the amount of mackerel specified in the licence by 20% or less, an amount equal to 1.5 times the

*Fisheries (Mackerel) Rules 2019*  
*Statutory Rules 2019, No. 5*

Part 3 – General Management of Fishery

**r. 15**

market value of the excess  
amount of mackerel; and

- (b) in the case of exceeding the  
uncaught balance of the amount  
of mackerel specified in the  
licence by more than 20% and up  
to 50%, an amount equal to 2  
times the market value of the  
excess amount of mackerel.

**15. Bycatch limit for each fishing trip**

- (1) The holder of a mackerel fishing licence must  
not, in State waters, during any one fishing trip,  
take or be in possession of an amount of bycatch  
that weighs more than 10% of the total weight of  
mackerel taken by the licence holder during that  
fishing trip (the *authorised amount*).

Penalty: In the case of –

- (a) the authorised amount being  
exceeded by not more than 2%,  
Grade 1 penalty; or
- (b) the authorised amount being  
exceeded by more than 2% but  
not more than 4%, Grade 2  
penalty; or
- (c) the authorised amount being  
exceeded by more than 4%,  
Grade 3 penalty.

*Fisheries (Mackerel) Rules 2019*  
*Statutory Rules 2019, No. 5*

**r. 15**

Part 3 – General Management of Fishery

---

- (2) A person must not, while fishing under the authority of a mackerel fishing licence, engage in fishing that is not authorised by the licence.

Penalty: Grade 3 penalty.

- (3) If –

- (a) the Minister is satisfied that the holder of a mackerel fishing licence has committed an offence under subrule (1) but that the authorised amount of bycatch has only been exceeded by not more than 4%; and
- (b) the licence holder pays or agrees to pay an administrative penalty to the Crown –

the Minister may accept such payment or agreement to pay and, if so, must waive or, if applicable, discontinue the proceedings for the offence.

- (4) If the whole or any part of an amount that a person has agreed to pay under subrule (3) is not paid by such date or within such period as the person and the Minister have agreed for the purpose, the unpaid amount may be recovered in a court of competent jurisdiction as a debt due to the Crown.

- (5) In this rule –

*administrative penalty* means –

- (a) for an excess of not more than 2%, an amount equal to the

*Fisheries (Mackerel) Rules 2019*  
*Statutory Rules 2019, No. 5*

Part 3 – General Management of Fishery

**r. 16**

market value of the excess  
bycatch; and

- (b) for an excess of more than 2% but not more than 4%, an amount equal to twice the market value of the excess bycatch.

**16. Determination of market value**

- (1) The Secretary may, from time to time, after consultation with the relevant fishing body –
  - (a) determine the market value of mackerel; and
  - (b) determine the market value of bycatch for the purposes of these rules; and
  - (c) publish the determination –
    - (i) in the *Gazette*; or
    - (ii) on a website, maintained by or on behalf of the Government, that is accessible by members of the public; or
    - (iii) in a newspaper circulating in the State.
- (2) A determination under subrule (1) has effect from the date on which the notice is published until the determination is revoked or a further determination is made under subrule (1).

**r. 17**

Part 4 – Purse Seine Net Restrictions

---

**PART 4 – PURSE SEINE NET RESTRICTIONS**

**17. Restriction on use of purse seine nets in certain waters**

The holder of a mackerel fishing licence, acting under the authority of that licence, must not set or use a purse seine net in any of the following waters:

- (a) King Bay, Moulting Lagoon, Pelican Bay, Great Swanport and the waters enclosed north of an imaginary straight line extending from Point Bagot to the first point of land due east of Point Bagot;
- (b) the waters in the north-west region specified in Part 1 of Schedule 2;
- (c) the waters in the north-east region specified in Part 2 of Schedule 2;
- (d) the waters in the southern region specified in Part 3 of Schedule 2;
- (e) the waters specified in items 1 to 7 of Schedule 3.

Penalty: Grade 2 penalty.

**18. Restriction for vessels from 25 to 35 metres in length**

- (1) In addition to rule 17, the holder of a mackerel fishing licence, acting under the authority of that

*Statutory Rules 2019, No. 5*

Part 4 – Purse Seine Net Restrictions

**r. 19**

---

licence, must not, from a fishing vessel that is equal to or greater than 25 metres, but less than or equal to 35 metres, in length, set or use a purse seine net in any of the waters specified in items 8 to 10 of Schedule 3.

Penalty: Grade 3 penalty.

- (2) Despite subrule (1), the holder of a mackerel fishing licence may set or use a purse seine net, from a fishing vessel of a length referred to in that subrule, in the waters specified in items 8 to 10 of Schedule 3 if the licence is endorsed to that effect.

**19. Restriction for vessels over 35 metres in length**

- (1) In addition to rule 17, the holder of a mackerel fishing licence must not, from a fishing vessel that exceeds 35 metres in length, set or use a purse seine net in State waters.

Penalty: Grade 3 penalty.

- (2) Despite subrule (1), the holder of a mackerel fishing licence may set or use a purse seine net, from a fishing vessel referred to in that subrule, in State waters if the licence is endorsed to that effect.
- (3) An endorsement under subrule (2) may not, however, be made in respect of any of the waters specified in rule 17.

*Statutory Rules 2019, No. 5*

r. 20

Part 5 – Miscellaneous

---

**PART 5 – MISCELLANEOUS**

**20. Reporting services**

- (1) The Secretary may approve –
  - (a) a reporting service to receive reports under these rules; and
  - (b) the means by which such reports are to be made to the reporting service; and
  - (c) the information to be provided in such reports.
- (2) As soon as practicable after it receives a report under these rules, the reporting service is to issue the maker of the report with a report receipt number.

**21. Vessel monitoring systems**

- (1) In this rule –

*vessel monitoring system* means a navigational measuring system that –

  - (a) determines the location and activities of a vessel; and
  - (b) is capable of transmitting data about that location and those activities via a satellite communication system.
- (2) The Secretary, by notice in writing provided to the holder of a mackerel fishing licence, may

*Statutory Rules 2019, No. 5*

Part 5 – Miscellaneous

r. 22

---

direct the licence holder to fit a vessel monitoring system to a specified fishing vessel.

- (3) The provisions of Part 3 of the *Fisheries Rules 2009* relating to a vessel monitoring system, other than rule 32 of those rules, apply to the holder of a mackerel fishing licence as if –
- (a) a reference in those rules to a holder of a fishing licence (vessel) were a reference to a holder of a mackerel fishing licence; and
  - (b) a reference in those rules to a supervisor of a fishing licence (vessel) were a reference to a supervisor of a mackerel fishing licence; and
  - (c) a reference in those rules to a notice served were a reference to a notice in writing provided.

**22. Procedures for dealing with certain threatened, endangered and protected species**

- (1) In this rule –

***threatened, endangered and protected species***  
means species listed in Chapter 5 of the *Environment Protection and Biodiversity Conservation Act 1999* of the Commonwealth including dolphins, seals and seabirds.

- (2) Before acting under the authority of a mackerel fishing licence, the holder of the licence must

**r. 23**

Part 5 – Miscellaneous

---

have an approved written procedure in respect of the measures to be taken to mitigate interactions between the licensee's fishing vessel and threatened, endangered and protected species.

Penalty: Grade 3 penalty.

- (3) The holder of a mackerel fishing licence must comply with the approved written procedure when taking mackerel under the authority of the licence.

Penalty: Grade 3 penalty.

**23. Infringement notice offences and penalties**

For the purposes of section 42(2) of the Act –

- (a) an offence against a provision of these rules specified in column 2 of Schedule 4 is a prescribed offence for the purposes of Division 5 of Part 9 of the Act; and
- (b) the penalty specified in column 3 of that Schedule opposite that provision is the prescribed penalty applicable to that offence.

**24. Legislation rescinded**

The legislation specified in Schedule 5 is rescinded.
