Act No. 12 of 2006

s. 35

Part 3 – Emergency Management

35. Special Emergency Management Plans

(1) In this section –

approving authority means the person or Committee determined to be the approving authority for that plan by the State Committee, a Regional Committee or a Municipal Committee that prepares a plan under this section;

Committee means the State Committee, a Regional Committee or a Municipal Committee;

reviewing authority means the person or Committee determined to be the reviewing authority for that plan by the State Committee, a Regional Committee or a Municipal Committee that prepares a plan under this section.

- (2) A Committee may prepare a plan in respect of a particular risk or emergency or class of risk or emergency.
- (3) A Committee is to submit a plan prepared under subsection (2) to the approving authority for approval.
- (4) When a plan is provided to the approving authority, the approving authority may –
- (a) approve the plan; or

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 36

-
- (b) require the plan to be amended and then resubmitted for approval under this subsection.
 - (5) A Committee is to review each of its Special Emergency Management Plans at least once every 2 years.
 - (6) At any time, a Committee is to submit to the reviewing authority any suggested amendments to its Special Emergency Management Plan or a substitute plan.
 - (7) On the submission to him, her or it of suggested amendments or a substitute plan, the reviewing authority may approve or reject the amendments to, or the substitution of, the Special Emergency Management Plan.
 - (8) On approving a Special Emergency Management Plan, an amendment to such a plan or a substitute plan, the approving authority or reviewing authority is to notify the State Controller and the relevant Committee of that approval.

Division 2 – General risk identification, assessment and management

36. Risk identification and assessment authorisation

- (1) In this section –

potential hazard means a place, structure, source or situation that may, or may in certain circumstances, be a hazard;

Emergency Management Act 2006
Act No. 12 of 2006

s. 36

Part 3 – Emergency Management

potential risk activity means an activity carried on by any person that is of such a nature that it may, or may in certain circumstances, pose a risk of the activity causing, contributing to or aggravating an emergency;

specified means specified in an authorisation under subsection (2).

- (2) If the State Controller considers that a place, structure, source or situation may be a potential hazard or that an activity may be a potential risk activity, the State Controller may authorise the inspection of –
- (a) any specified place, premises or vehicle; and
 - (b) any specified class of places, premises or vehicles connected with the place, structure, source or situation that may be a potential hazard or with the carrying on of the activity that may be a potential risk activity –

for the purposes of determining whether the place, structure, source, situation or activity is a potential hazard or potential risk activity and assessing the risk posed by it.

- (3) An authorisation –
- (a) may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable; and

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 36

-
- (b) is to specify that the authorisation is made under this Act; and
 - (c) is to describe the place, premises, source or situation, or the activity, in respect of which the authorisation is made; and
 - (d) is to specify the place, premises or vehicle in respect of which an authorised officer may exercise powers of entry under the authorisation; and
 - (e) is to specify the authorised officers or classes of authorised officers who may exercise powers under the authorisation; and
 - (f) is to specify the date and time at which, or the event on whose occurrence, the authorisation takes effect; and
 - (g) is to specify the period for which the authorisation has effect or the date and time at which, or the event on whose occurrence, the authorisation ceases to have effect; and
 - (h) may specify any conditions and instructions the State Controller considers appropriate.
- (4) The State Controller may –
- (a) extend the period for which an authorisation has effect; and
 - (b) otherwise amend an authorisation; and

Emergency Management Act 2006
Act No. 12 of 2006

s. 37

Part 3 – Emergency Management

- (c) revoke an authorisation.
- (5) The extension of the period for which an authorisation has effect or the other amendment or the revocation of an authorisation may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as is practicable.
- (6) If the period for which an authorisation has effect is extended, or an authorisation is amended, after an authorised officer has first entered a place, premises or vehicle pursuant to section 37(2), an authorised officer may not further exercise any powers under section 37 until a copy of the authorisation as amended in accordance with the extension or amendment has been given to the occupier of the place, premises or vehicle.
- (7) If the period for which an authorisation has effect is extended, or an authorisation is amended, after an authorised officer has given notice to an occupier of a place, premises or vehicle of his or her intention to so enter the place, premises or vehicle but has not entered the place, premises or vehicle, the period of 72 hours referred to in section 37(2)(c) is taken to commence when a copy of the authorisation as amended in accordance with the extension or amendment has been given to the occupier of the place, premises or vehicle.

37. Powers under risk identification and assessment authorisation

- (1) In this section –

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 37

authorisation means an authorisation under section 36;

specified means specified in an authorisation.

- (2) An authorisation authorises a specified authorised officer or an authorised officer of a specified class to enter, within the period during which the authorisation has effect, a specified place, premises or vehicle, or a place, premises or vehicle of a specified class that the authorised officer reasonably believes is connected with the place, structure, source or situation, or the carrying on of the activity, to which the authorisation relates –
- (a) if –
 - (i) the authorised officer gives to the occupier or another person apparently in charge of the place, premises or vehicle a copy of the authorisation and identifies himself or herself to the occupier or other person apparently in charge; and
 - (ii) the occupier or another person apparently in charge of the place, premises or vehicle consents to the entry; or
 - (b) if –
 - (i) the place, premises or vehicle is open to entry by the public at the

Emergency Management Act 2006
Act No. 12 of 2006

s. 37

Part 3 – Emergency Management

time the authorised officer enters it; and

- (ii) the authorised officer gives to the occupier or another person apparently in charge of the place, premises or vehicle a copy of the authorisation and identifies himself or herself to the occupier or another person apparently in charge of the place, premises or vehicle; or

(c) if –

- (i) not less than 72 hours before the authorised officer first enters the place, premises or vehicle or such specified shorter period, the authorised officer has given the occupier a copy of the authorisation and written notice of the day on which the authorised officer intends to enter and inspect the place, premises or vehicle; and
- (ii) the authorised officer identifies himself or herself to the occupier or another person apparently in charge of the place, premises or vehicle.

(3) If –

- (a) a specified authorised officer or an authorised officer of a specified class has

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 37

taken all reasonable steps to give an occupier of a place, premises or vehicle a copy of an authorisation and a notice of the day on which the authorised officer intends to enter and inspect the place, premises or vehicle under subsection (2)(c)(i); and

- (b) the authorised officer has been unable to give that copy and notice to the occupier; and
- (c) at least 72 hours or the specified shorter period for giving notice of entry has elapsed since the authorised officer first attempted to give that copy and notice to the occupier; and
- (d) the State Controller consents, in writing, to any specified authorised officer or authorised officer of a specified class entering the place, premises or vehicle without complying with subsection (2) –

such an authorised officer may enter, within the period during which the authorisation has effect, the place, premises or vehicle after first identifying himself or herself to any person present in, and apparently in charge of, the place, premises or vehicle and giving to that person a copy of the authorisation.

- (4) If an authorised officer has entered a place, premises or vehicle pursuant to subsection (3), the authorised officer is to give the occupier

Emergency Management Act 2006
Act No. 12 of 2006

s. 37

Part 3 – Emergency Management

written notice of that entry and a copy of the authorisation as soon as practicable.

- (5) For the purpose of inspecting a vehicle under an authorisation, a specified authorised officer or an authorised officer of a specified class may stop and detain that vehicle.
- (6) In entering a place, premises or vehicle pursuant to this section, the authorised officer may use such force as is reasonable in the circumstances.
- (7) In a place, premises or vehicle entered pursuant to this section, a specified authorised officer or an authorised officer of a specified class may –
 - (a) inspect the place, premises or vehicle and any structure, source, situation, activity or other thing in the place, premises or vehicle; and
 - (b) require any person in the place, premises or vehicle to answer any question asked by the authorised officer or to provide any document or other information required by the authorised officer that is under the control of or available to the person; and
 - (c) require any person in the place, premises or vehicle to open any cupboard, compartment or container.
- (8) A person must comply with a requirement made by an authorised officer under subsection (7).

Penalty: Fine not exceeding 100 penalty units.

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 38

-
- (9) If a notice of intention to enter a place, premises or vehicle is to be or is given under subsection (2)(c)(i), the State Controller –
- (a) is to inform the Minister of that intention before the notice is given; or
 - (b) if it is not reasonable in the circumstances to delay the giving of the notice until the Minister has been informed of that intention, is to inform the Minister of the giving of the notice as soon as practicable after it is given.

38. Management of risk following inspection

- (1) After conducting an inspection under an authorisation made under section 36, an authorised officer is to –
- (a) report the findings of the inspection to the owner of, person in charge of or person responsible for the place, structure, source or situation that is or may be a hazard, or the person carrying on the activity that may pose a risk, and in respect of which the authorisation was made; and
 - (b) if the authorised officer considers that action is needed to mitigate or prevent a risk of the place, structure, source, situation or activity causing, contributing to or aggravating an emergency –

Emergency Management Act 2006
Act No. 12 of 2006

s. 38

Part 3 – Emergency Management

- (i) discuss the taking of appropriate action with the owner of, person in charge of or person responsible for the place, structure, source or situation or the person carrying on the activity; or
 - (ii) report to that owner or person in relation to the taking of appropriate action.
- (2) Without limiting the action that an authorised officer may consider appropriate for the purposes of subsection (1)(b), such action may include the preparation of a plan for emergency management, or a plan for the management of risks, and the implementation of measures to mitigate or prevent the risk of the place, structure, source, situation or activity causing, contributing to or aggravating an emergency.
- (3) If an authorised officer has discussed with the owner of, person in charge of or person responsible for a place, structure, source or situation, or with the person carrying on an activity, the taking of appropriate action to mitigate or prevent a risk of the place, structure, source, situation or activity causing, contributing to or aggravating an emergency and that owner or person fails to take such action within a time that the authorised officer considers reasonable, the authorised officer –
 - (a) is to notify the State Controller of that failure; and

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 39

-
- (b) may require the owner or person, in writing, to take the action that the authorised officer considers appropriate; and
 - (c) if the authorised officer so requires a person to take an action under paragraph (b), is to provide the Minister with a copy of that requirement.
- (4) A requirement under subsection (3) must –
- (a) be provided to the owner of, person in charge of or person responsible for the place, structure, source or situation or to the person carrying on the activity; and
 - (b) specify the action to be taken by that owner or person and, where appropriate, the time within which that action is to be taken.
- (5) An owner or person must comply with a requirement provided to him or her under subsection (4)(a).

Penalty: Fine not exceeding 100 penalty units.

39. Certain persons to have plan for emergency or risk management

- (1) In this section –

prescribed person means a person, or a person of a class, prescribed in the regulations for the purposes of this section;

Emergency Management Act 2006
Act No. 12 of 2006

s. 39

Part 3 – Emergency Management

specified means specified in a notice provided to a prescribed person under subsection (2).

- (2) On the recommendation of the State Controller, the Minister, by written notice provided to a prescribed person, may require the prescribed person to prepare and provide to the State Controller within the specified time one or both of the following:
- (a) a plan for the management of emergencies generally or emergencies of a specified class;
 - (b) a plan for the management of a specified risk or a risk of a specified class.
- (3) A prescribed person must comply with a notice under subsection (2).

Penalty: Fine not exceeding 100 penalty units.

- (4) A prescribed person who has prepared a plan as required by a notice under subsection (2) must –
- (a) review the plan at least once every 2 years; and
 - (b) within 14 days after completing a review –
 - (i) notify the State Controller of the results of that review; and
 - (ii) if the review results in an amendment to or substitution of the plan, provide the State

Controller with a copy of the plan as amended or substituted unless the State Controller determines otherwise.

Penalty: Fine not exceeding 100 penalty units.

Division 3 – Emergency powers

40. Authorisation of emergency powers

- (1) The State Controller may authorise the exercise, in accordance with the authorisation, of emergency powers if he or she –
 - (a) is satisfied that an emergency, or a significant threat of an emergency, is occurring or has occurred in Tasmania and, due to the occurrence of that emergency, there are reasonable grounds for the exercise of those powers for the purpose of –
 - (i) protecting persons from distress, injury or death; or
 - (ii) protecting property or the environment from damage or destruction; or
 - (b) is satisfied on credible information that an emergency that may impact on Tasmania is occurring outside Tasmania.
- (2) The State Controller may make an authorisation whether or not a state of emergency has been declared.

Emergency Management Act 2006
Act No. 12 of 2006

s. 40

Part 3 – Emergency Management

(3) An authorisation –

- (a) may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable; and
- (b) is to specify that the authorisation is made under this Act; and
- (c) is to describe the general nature of the emergency to which the authorisation relates; and
- (d) is to describe the area in respect of which the authorisation is made; and
- (e) is to specify –
 - (i) the authorised officers or the classes of authorised officers who may exercise emergency powers under the authorisation; or
 - (ii) that all authorised officers may exercise emergency powers under the authorisation; and
- (f) may specify either or both of the following:
 - (i) that a specific emergency power may be exercised under the authorisation by an authorised officer or class of authorised officers;
 - (ii) that an authorised officer or class of authorised officers may

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 40

exercise all emergency powers
exercisable under the
authorisation; and

- (g) is to specify the date and time at which, or the event on whose occurrence, the authorisation takes effect; and
 - (h) is to specify the period for which the authorisation has effect or the date and time at which, or the event on whose occurrence, the authorisation ceases to have effect; and
 - (i) may specify any conditions and instructions the State Controller considers appropriate.
- (4) An authorisation may not be made so as to have effect for a period exceeding 7 days.
- (4A) Subsection (4) does not apply in relation to an authorisation in relation to the COVID-19 state of emergency.
- (4B) An authorisation may not be made, in relation to the COVID-19 state of emergency, so as to have effect for a period exceeding 12 weeks.
- (4C) An authorisation, in relation to the COVID-19 state of emergency, that was in effect immediately before the commencement of the *COVID-19 Disease Emergency (Miscellaneous Provisions) Act 2020* is to be taken to have been specified to apply for a period of 12 weeks, but the period may be extended under this Act.

Emergency Management Act 2006
Act No. 12 of 2006

s. 40

Part 3 – Emergency Management

- (5) The State Controller –
- (a) is to notify the Minister of his or her intention to give an authorisation before giving it; or
 - (b) if the State Controller considers that in the circumstances it is not practicable to notify the Minister before giving the authorisation, is to notify the Minister as soon as practicable after giving the authorisation.
- (6) The State Controller may extend an authorisation for one or more further periods, each of which does not exceed 12 weeks, if –
- (a) he or she is satisfied that there are reasonable grounds to do so; and
 - (b) the Minister consents to the extension.
- (7) The State Controller may amend or revoke an authorisation at any time.
- (8) The extension, amendment or revocation of an authorisation –
- (a) may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable; and
 - (b) takes effect when it is made or at a later time specified in it.
- (9) As soon as practicable after giving, extending, amending or revoking an authorisation, the State Controller is to provide a copy of the

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 41

authorisation, extension, amendment or revocation to the Regional Controller of each region affected by the authorisation and such authorised officers as he or she considers appropriate.

41. Authority of authorisation of emergency powers

- (1) An authorisation of emergency powers under section 40 authorises the exercise in accordance with the authorisation of emergency powers by authorised officers as specified in the authorisation.
- (2) If an authorisation of emergency powers under section 40 authorises an authorised officer to exercise emergency powers, the authorised officer may exercise those powers whether or not he or she has received a copy of the authorisation.

Division 3A – State of alert

41A. Declaration of state of alert

- (1) The State Controller may declare a state of alert if he or she –
 - (a) is satisfied on reasonable grounds that there is a significant threat of an emergency occurring in Tasmania; or
 - (b) is satisfied on credible information that an emergency that may impact on Tasmania is occurring, or may occur, outside Tasmania.

Emergency Management Act 2006
Act No. 12 of 2006

s. 41A

Part 3 – Emergency Management

(2) A declaration of a state of alert –

- (a) may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable; and
- (b) is to specify that the declaration is made under this Act; and
- (c) is to describe the general nature of the emergency to which the declaration relates; and
- (d) is to describe the area in Tasmania in respect of which the declaration is made; and
- (e) is to specify the emergency powers that may be exercised by a Regional Controller, or any person or class of persons that the State Controller thinks fit, in accordance with section 41B; and
- (f) is to specify –
 - (i) that the declaration takes effect immediately; or
 - (ii) the date at which and time at which, or the event on the occurrence of which, the declaration takes effect; and
- (g) subject to subsection (3), is to specify –
 - (i) the period for which the declaration has effect; or

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 41A

-
- (ii) the date and time at which the declaration ceases to have effect; or
 - (iii) the event on the occurrence of which the declaration ceases to have effect; and
 - (h) may specify any conditions and instructions that the State Controller considers appropriate.
- (3) A declaration for a state of alert may not be made so as to have effect for a period exceeding 7 days.
- (4) The State Controller may extend a declaration of a state of alert for one or more further periods, each of which does not exceed 7 days, if satisfied that there are reasonable grounds to do so.
- (5) The State Controller may amend or revoke a declaration of a state of alert at any time.
- (6) A state of alert is also revoked if a state of emergency is declared under section 42 in respect of the emergency to which the state of alert relates.
- (7) The extension, amendment or revocation of a declaration of a state of alert may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable.

Emergency Management Act 2006
Act No. 12 of 2006

s. 41B

Part 3 – Emergency Management

41B. Authority of declaration of state of alert

- (1) A person authorised in accordance with section 41A(2)(e) to exercise emergency powers under a declaration of a state of alert may –
 - (a) only exercise those powers for the purposes of making necessary preparations, or to mitigate risks, in relation to the emergency to which the state of alert relates; and
 - (b) exercise those powers whether or not he or she has received a written copy of the declaration.
- (2) A person authorised under a declaration of a state of alert to exercise an emergency power may authorise another person to use all or any part of such an emergency power.

41C. Duties if state of alert declared

While a declaration of a state of alert is in effect –

- (a) the State Controller and the Regional Controller for a region in respect of which the declaration has been made are to implement emergency management in relation to the emergency to which the state of alert relates –
 - (i) in accordance with any relevant emergency management plan; and

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 41D

- (ii) as he or she considers appropriate; and
- (b) subject to any directions given under this Act by the Premier, Minister or State Controller, if a region is affected by the declaration the Regional Controller for the region is to –
 - (i) take the action, as he or she considers appropriate, required by any relevant emergency management plan; or
 - (ii) take immediate action to use, direct and coordinate all available resources so as to counter the likely effects of the relevant emergency; and
- (c) the Municipal Coordinator for a municipal area within the region in respect of which the declaration has been made is to advise and assist the Regional Controller with respect to emergency management in the municipal area.

41D. Authorisation by Regional Controller if state of alert declared

- (1) Unless the State Controller has directed otherwise, a Regional Controller may authorise the exercise of all, or any, emergency powers in the region for which he or she is Regional Controller if –

Emergency Management Act 2006
Act No. 12 of 2006

s. 41D

Part 3 – Emergency Management

- (a) a state of alert has been declared in respect of that region, part of that region or the whole State; or
 - (b) a state of alert has been declared in respect of another place that is not in that region and the Regional Controller is satisfied that the potential emergency, that is the subject of the state of alert, may impact on that region to the extent that it is reasonable to authorise the exercise of those powers in that region for the purpose of –
 - (i) protecting persons from distress, injury or death; or
 - (ii) protecting property or the environment from damage or destruction; or
 - (iii) otherwise mitigating the impact of the emergency on that region.
- (2) Section 40(3), (4), (5), (6), (7), (8) and (9) and section 41 apply to an authorisation given by a Regional Controller under this section as if –
- (a) a reference in Section 40(3), (5), (6), (7) or (9) to the State Controller were a reference to the Regional Controller; and
 - (b) a reference in section 40(5) or (6) to the Minister were a reference to the State Controller; and

Act No. 12 of 2006

Part 3 – Emergency Management

s. 42

-
- (c) a reference in section 41 to an authorisation under section 40 were a reference to an authorisation under this section.
 - (3) If the State Controller is of the opinion that there is a conflict between an authorisation under this section and an authorisation under section 40, the State Controller may amend or revoke either authorisation as he or she considers appropriate.

Division 4 – State of emergency

42. Declaration of state of emergency

- (1) The Premier may declare a state of emergency if he or she is satisfied, on reasonable grounds, of one or more of the following:
 - (a) that an emergency, or a significant threat of an emergency, is occurring or has occurred in Tasmania;
 - (b) that the existing circumstances require, or may require, the exercise of special emergency powers.
- (2) A declaration of a state of emergency –
 - (a) may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable; and
 - (b) is to specify that the declaration is made under this Act; and

Emergency Management Act 2006
Act No. 12 of 2006

s. 42

Part 3 – Emergency Management

- (c) is to describe the general nature of the emergency to which the declaration relates; and
 - (d) is to describe the area in respect of which the declaration is made; and
 - (e) is to specify –
 - (i) the Regional Controllers who may exercise special emergency powers under the declaration; and
 - (ii) that the State Controller may exercise special emergency powers under the declaration; and
 - (f) is to specify which special emergency powers are exercisable under the declaration and by whom; and
 - (g) is to specify the date and time at which, or the event on whose occurrence, the declaration takes effect; and
 - (h) is to specify the period for which the declaration has effect or the date and time at which, or the event on whose occurrence, the declaration ceases to have effect; and
 - (i) may specify any conditions and instructions the State Controller considers appropriate.
- (3) A declaration of a state of emergency may not be made so as to have effect –

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 42

-
- (a) for a period exceeding 12 weeks in the case of an emergency relating to disease in humans or animals; or
 - (b) for a period exceeding 2 weeks in any other case.
 - (4) The Premier may extend a declaration of a state of emergency for one or more further periods, each of which does not exceed the relevant period specified in subsection (3), if satisfied that there are reasonable grounds to do so.
 - (5) The Premier may amend or revoke a declaration of a state of emergency at any time.
 - (6) The extension, amendment or revocation of a declaration of a state of emergency may be oral or in writing, but if it is oral it is to be confirmed in writing as soon as practicable.
 - (7) As soon as practicable after a declaration of a state of emergency is made, extended, amended or revoked, the State Controller is to provide a copy of the declaration, extension, amendment or revocation to the persons who may exercise special emergency powers under the declaration.
 - (8) If a declaration of a state of emergency relating to disease in humans or animals is made for a period exceeding 4 weeks –
 - (a) the State Committee is to review the need for the declaration at the end of that first 4 weeks and then every 2 weeks while the declaration continues to have effect; and

Emergency Management Act 2006
Act No. 12 of 2006

s. 43

Part 3 – Emergency Management

- (b) if the State Committee on any such review determines that the declaration should be amended or revoked, the State Committee is to provide its recommendation for the amendment or revocation of the declaration to the Premier.

43. Authority of declaration of state of emergency

- (1) A declaration of a state of emergency under section 42 authorises the exercise in accordance with the declaration of special emergency powers by the State Controller and Regional Controllers as specified in the declaration.
- (2) If a declaration of a state of emergency under section 42 authorises the State Controller or a Regional Controller to exercise special emergency powers, the State Controller or Regional Controller may exercise those powers whether or not he or she has received a copy of the declaration.

44. Duties if state of emergency declared

If a state of emergency is declared –

- (a) the State Controller and the Regional Controller of a region affected by the declaration are to implement emergency management in accordance with any relevant emergency management plan and as he or she otherwise considers appropriate; and

Emergency Management Act 2006
Act No. 12 of 2006

Part 3 – Emergency Management

s. 45

-
- (b) subject to any directions given by the Premier, Minister or State Controller, if a region is affected by the declaration the Regional Controller is to –
 - (i) take the action required by any relevant emergency management plan and as he or she otherwise considers appropriate; and
 - (ii) take immediate action to use, direct and coordinate all available resources so as to counter the effects or the likely effects of the emergency; and
 - (c) if a municipal area is affected by the declaration, the Municipal Coordinator is to advise and assist the Regional Controller with respect to emergency management in the municipal area.

45. Authorisation by Regional Controller if state of emergency declared

- (1) Unless the State Controller has directed otherwise, a Regional Controller may authorise the exercise, in accordance with the authorisation, of emergency powers in the region for which he or she is Regional Controller if –
 - (a) a state of emergency has been declared in respect of that region, part of that region or the whole State; or

Emergency Management Act 2006
Act No. 12 of 2006

s. 45

Part 3 – Emergency Management

- (b) a state of emergency has been declared in respect of another place that is not in that region and the Regional Controller is satisfied that the emergency may impact on that region to the extent that it is reasonable to authorise the exercise of those powers in that region for the purpose of –
 - (i) protecting persons from distress, injury or death; or
 - (ii) protecting property or the environment from damage or destruction; or
 - (iii) otherwise mitigating the impact of the emergency on that region.
- (2) Section 40(3), (4), (5), (6), (7), (8) and (9) and section 41 apply to an authorisation given by a Regional Controller under this section and for that purpose –
 - (a) a reference in section 40(3), (4), (5), (6), (7), (8) or (9) to the State Controller is taken to be a reference to the Regional Controller; and
 - (b) a reference in section 40(3), (4), (5), (6), (7), (8) or (9) to the Minister is taken to be a reference to the State Controller; and
 - (c) a reference in section 41 to an authorisation under section 40 is taken to be a reference to an authorisation under this section.

Act No. 12 of 2006

Part 3 – Emergency Management

s. 46

-
- (3) If the State Controller is of the opinion that there is a conflict between an authorisation under this section and an authorisation under section 40, the State Controller may amend or revoke either authorisation as he or she considers appropriate.

Division 5 – Roles of councils and municipal volunteer SES units

46. Councils to use resources in emergency

If an emergency affects a municipal area, the council in the municipal area is to use its resources and the resources made available to it for the purposes of managing the emergency –

- (a) in accordance with the Municipal Emergency Management Plan whether or not a state of emergency, or a state of alert, has been declared in respect of the municipal area; or
- (b) so far as that plan is not applicable and whether or not a state of emergency or a state of alert has been declared in respect of the municipal area, in accordance with the directions of the Municipal Chairperson, Municipal Coordinator or Municipal Committee; or
- (c) so far as that plan is not applicable and if a state of emergency, or state of alert, has been declared in respect of the municipal area, in accordance with the directions of the Regional Controller.

Emergency Management Act 2006
Act No. 12 of 2006

s. 47

Part 3 – Emergency Management

47. Councils to establish or provide for resources

Each council is to establish and maintain, or otherwise provide for the availability of, all resources and facilities it considers necessary for the management of an emergency in its municipal area in accordance with the relevant Municipal Emergency Management Plan.

48. Municipal volunteer SES units

- (1) Without limiting the actions that a council is to or may take under section 47, a council in complying with that section is to establish and maintain such municipal volunteer SES units as, after consultation with the Director SES, it considers necessary to ensure the effective operation of the relevant Municipal Emergency Management Plan and for undertaking rescue and retrieval operations.
- (2) The Director SES is to appoint a Unit Manager for each municipal volunteer SES unit.
- (3) The Unit Manager of a municipal volunteer SES unit is subject to the direction of the Director SES.

49. Resources of municipal volunteer SES units

- (1) In complying with its obligations under section 48, a council is responsible for the effective operation of its municipal volunteer SES units and, for this purpose, is responsible for all aspects of the storage and maintenance of

Emergency Management Act 2006

the equipment used by those units and the provision of other facilities and resources necessary for those units to perform their functions, including adequate accommodation for the purposes of training members of those units, unless otherwise agreed with the Director SES under subsection (2).

- (2) Such equipment, training and other facilities and resources for emergency management as the Director SES considers appropriate –
- (a) may be provided in accordance with an agreement between the Director SES and a council; or
 - (b) must be provided if the relevant Municipal Emergency Management Plan requires it –

to a municipal volunteer SES unit from the resources of the State Emergency Service.

- (3) The Director SES may issue to councils standards for the adequate storage and maintenance of the equipment used by municipal volunteer SES units.
- (4) A municipal volunteer SES unit is to use equipment provided to it only for emergency management, rescue and retrieval operations, training for emergency management and rescue and retrieval operations and as otherwise determined by the Director SES.
